November speaker- **Melody Spence**, of A Victorian Melody, Lewisburg

We welcome the cooler days and all that comes with it. To get us ready for the holidays, we are glad to have Melody Spence, a life long resident of Lewisburg, come to inspire us to decorate our homes for the upcoming season. Melody has her business, A Victorian Melody, in a beautiful old home built in 1910 filled with antiques, gifts, ladies jewelry, and a baby boutique. She specializes in fresh flowers and is celebrating 30 years in business this year. She loves the holidays and decorates every room inside this Victorian home with the best and most beautiful decorations to be found and lights the outside from top to bottom. November is our last scheduled meeting of the 2016 year. We will have a Christmas party on December 10th. See details below. Thanks to all of the officers for agreeing to serve a two year period so we don't have to re-elect officers until this time next year.

It may be 80
degrees outside,

I can wear autumn colors,
so Fall-la-la-la-la... FALLElujah!
