

Newsletter Update December, 2020

Merry Christmas

Merry Christmas to all,

It seemed fitting to end the year with a Newsletter and a Merry Christmas. Gail and I wish you and your family a wonderful and blessed Christmas. May the gardens of your hearts bloom and grow with Peace, Joy, and Love!

As we look forward and begin planning for 2021 your help in the process is encouraged and much needed. Please send in your ideas for ways to make the new year one of the best ever.

Hope to see you soon!

Gorge ♥ Gail

Plans for the 2021 Master Gardener Intern Training

The training will be different but I think it will be great. It will take place on Tuesdays from the beginning of February through the end of April from 9 am – 11 am central time. The majority of the training will take place online via Zoom. Additional in-person training opportunities will be determined closer to the training dates. See the following link for information about the Intern Training.
