

Who are Tennessee Master Gardeners?

Tennessee Extension Master Gardeners (TEMG's) are trained volunteers that help the Extension Service share the latest and greatest gardening information! They participate in the community to educate and train the public in the latest gardening information and techniques.

Requirements for Master Gardener Certification

First, become a Master Gardener Intern by attending 40 hours of UT horticultural classes offered locally.

Then during the next year give 40 hours of volunteer community service and participate in 8 hours of continuing education.

Come Join Us!

Maury County Extension Office
#10 Public Square
Hunter-Matthews Building
Columbia, TN 38401

Helping Tennessee Grow Better Communities

UT Extension works in co-operation with the University of Tennessee Institute of Agriculture, the U.S. Department of Agriculture, Tennessee State University and County governments. UT Extension provides equal opportunities in programs and employment.

While the title "Master Gardener" may seem daunting, no one truly ever "masters" gardening. In fact, you don't have to be a gardening expert by any means to become a Master Gardener. All you need is a desire to learn more about gardening and a passion for improving the lives of those in your community!

Learn About

- Vegetable Gardening
- Small Fruit Production
- Herbs
- Beneficial and Harmful Insects
- Plant Disease Control
- Urban Wildlife Management
- Soils
- Landscape Design
- Lawngrass Management
- Composting
- Much, More...

Volunteer Opportunities

- Assist UT Extension agents
 - *Office help
 - *4-H Club Program
