Next Master Gardener Meeting

SEPTEMBER 13th

Potluck 6:00, Meeting 6:30

Dill Hughes, extension agent, Deena Trimble, president, Dr. Natalie Bumgarner, coordinator of Master Gardeners across Tennessee, Richard Harris, secretary, Donna Richards, treasurer, Melanie Edwards, vice president, Larry Heidcamp, public relations, Annette Wakefield, vice president.

WELCOME TO THE INTERNS!!

The August meeting with the interns was a great success with 35 attending. Thanks to all who helped with setup, food, door prizes, etc. Each intern was assigned a mentor that evening. Hopefully the club member will stay in touch with the assigned intern, informing them of meetings, sitting with them at meetings, introducing them to others and making sure they feel connected. If you want to participate in this program and were not able to attend, please contact Kathie Wilson for further directions. (kwf@southportforge.com)

THE MASTER GARDENER BOOTH AT THE MAURY COUNTY FAIR

Was a great success, thanks to many of you. Thanks to Melanie, Kathie, Deena and Jane Ann for the setup and to many of you for bringing objects to display. We received many compliments, gave away seeds, brochures, and a door prize, and collected the names of many people who requested more information about classes for next year. Thanks to Kathie Wilson for donating the gardening gift that was given away. And special thanks to all of you who braved the heat to work at the booth. We appreciate your help.

Please plan to attend our next meeting on Tuesday, September 13th, at the Maury Co. Senior Citizen's Bldg. at 6:00 pm for potluck, and 6:30 for the meeting. Our speaker will be one of our members, CYNTHIA KILLETS, a past president of Master Gardeners.

At our next meeting, Cynthia Killets will present the topic of "The Importance of Flowers in the 1700's," a class she teaches each year at the Polk Home. She has requested that everyone bring a small bouquet of flowers for a hands on activity.
