Share Meeting

We're trying something a little different this year with a MCMG Members Share Meeting. We had several members state on their 2018

Surveys that they had expertise in various gardening topics. The expectation is the presenter would create a 15 minute presentation, using power point or speak from a handout. We are requesting three or four members to volunteer for the MCMG Monthly meeting for the October Meeting. We have our first volunteer; so we only need two to three others. Please contact either: Sue Nagel (307)-640-0004 or shelby6866@yahoo.com Alice Minyard (931)-381-1675 or msalice@charter.net
